

MR JAKE

music teacher

the academy of performing arts

Why Mr. Jacob Loves Teaching:

“I enjoy seeing the love of music instilled in a student, and the challenges involved.”

Mr. Jacob teaches piano to students of all ages. He began taking piano lessons from his church pianist at 12 years old.

His love of music continued through college, and he received a Bachelor of Science in Music Education at Hyles-Anderson College. While at Hyles-Anderson, Mr. Jacob played piano for a traveling group.

Along with teaching piano at The Academy, Mr. Jacob is also the principal at Badger State Baptist School, and a church pianist.
