

MR LOGAN

music teacher

Why Mr Logan Loves Teaching:

"I love spreading the joy and craft of music. There are few things more rewarding than watching a student develop a skill and discover a serious form of self-expression. I believe that music is important for the mind, body, and soul, and any chance to share that joy is rewarding in and of itself. I can think of few things more important to me.

Mr. Logan is an experienced guitarist and composer who fuses classical training with a wide variety of genres and sounds.

He started his musical journey as a violinist in his middle school orchestra, which soon leads to an interest in guitar. He began taking private lessons in high school and eventually studied classical guitar at the University of Wisconsin-Superior, where he received his Bachelor's Degree in Music with a focus in composition.

While attending UWS, he was an active member of the Jazz Band, University Orchestra, A'Cappella Choir, Chamber Choir, and Guitar Ensemble. Outside of college, Mr. Logan played in numerous rock, folk, blues, and fusion bands. He is a frequent wedding performer who specializes in arranging music. He maintained a large studio at Northwoods Music in Superior, WI, before moving to the Milwaukee area in 2017.
